These websites have been selected primarily for their relevance to the wide-ranging curriculum of Fair Lawn High School. These choices are consistent with the selection policies of the library, and with the print and non-print materials available there. However, the library, Fair Lawn High School, the Board of Education, and its employees are not responsible for the content of these sites, which is subject to frequent change, nor for the content of any other sites to which these sites may be linked.

---

Every reasonable attempt has been made to ensure that our school system's webpages and this website are educationally sound and do not contain links to any questionable material or anything that can be deemed in violation of the Fair Lawn Board of Education Computer Use Policy (6142.10) and/or local, state, and federal law. In addition to any immunity provided by law, the Board of Education shall not be liable for the inappropriate use of electronic communication resources or for violations of copyright restrictions, intellectual property rights, mistakes, and/or negligence that may have resulted in the creation of this website.
