**Upcoming Events**

The 2008-09 school year promises to be new and challenging as Cleveland becomes an aerospace school. Our [expansion kick-off](#) week is Sept. 8-12. Our special guests includes Pilot Lt. Col. Jill Long, Retired astronaut "Digger" Duane Carey, and NASA engineer, Ron Caswell. A [school parade](#) is scheduled for Thursday, Sept. 11 <Cancelled>. Make sure to check back often for updates to this [web site](#).

Welcome Ron Caswell, NASA engineer to the International Space Station. An assembly was held at 1:35 pm on Friday, Sept. 12.

For this school year, Cleveland merged with [Farnsworth Aerospace](#) to form a new PreK-8 school. We integrated aerospace and aviation to our curriculum. The fifth and sixth grade classes moved from Farnsworth and are housed at the Cleveland site. Additional classes have been added to foster rigor and high standards for students. Examples of these classes includes: *Web Design, Aerospace Class, Digital Video*

Welcome "Digger" Duane Carey to Aerospace at Cleveland!

*Production, etc. Please help us make this a successful venture by providing feedback through the surveys below and feel free to stop by for a quick visit.*

### ***An Achievement Plus School***

**We are the only junior high school in Saint Paul participating in Achievement Plus, a unique public-private partnership to raise student academic achievement. Achievement Plus brings strengths and resources to our school in the areas of academics, extended learning programs, and student and family supports. Read more about [Achievement Plus](#)**

### ***After School Club***

**An extensive [After School Program](#) is in place. Students have an opportunity to stay after school four days a week to study and participate in a variety of activities. This program is currently funded through the Pathways to Progress 21st Century Grant in collaboration with: SPPS Community Education, 3M, Hmong American Partnership, Eastside YMCA and the Eastside Arts Council.**

### ***Safe Schools/Healthy Students***

Seventh graders visited Civicfest at the Mpls. Convention Center during the RNC week. Naly and Chee met up with Abe Lincoln for Q & A.

Cleveland has additional services via the [Safe Schools/Healthy Students Grant](#). This grant has provided great opportunities for students that would not be readily available through the school. The program has staff from the following Saint Paul programs: Saint Paul Schools, Wilder Foundation, Saint Paul Youth Services, Big Brothers/Big Sisters, and Ramsey County Project Assist.
