

Dear reader,

We proudly announce our 43rd website, [2012 Election ProCon.org](http://2012.Election.ProCon.org), which asks **"Who should be US President in 2012?"**

The website currently features one Democratic candidate (Obama), nine Republican candidates (Bachmann, Cain, Gingrich, Huntsman, Johnson, Paul, Perry, Romney, and Santorum), and their views on 25 pro-con questions ranging from abortion to global warming to medical marijuana to waterboarding.

It also contains a presidential election history, glossary, debate transcripts, how to become president guide, Did You Know? facts, and more.

We will add at least 50 more pro-con questions, several related research projects, new candidates (including third party and independent candidates), and much more over the coming months.

**NOTE:** We normally launch a new website when it is complete; however, we have made an exception and released this current information so that you can learn more about the candidates and their views as we move toward the upcoming primaries and caucuses.

Please bookmark [2012 Election ProCon.org](http://2012.Election.ProCon.org), tell your friends about it, and let us know what you wish the site had more of or less of.

We'll be sending out another email update later this week with the latest research on some of our other 42 topics so stay tuned.

Thanks as always for your interest in our nonpartisan research.

Sincerely,

Kamy Akhavan
