Dear Kambiz,

The first presidential debate between Hillary Clinton and Donald Trump covered many issues. For some context on eight of those issues, we have provided their former statements, as well as statements from presidential candidates Gary Johnson (Libertarian Party) and Jill Stein (Green Party). You can explore issue-by-issue below, and [take our survey](#) to let us know what you thought about the first debate.

If you like unbiased election coverage and nonpartisan exploration of issues, please tell everyone within the sound of your voice (online or in person) to visit ProCon.org and [make a donation today](#). Our nonprofit survives on your donations. Thank You!
