To locate topics

[CQ Researcher](#) [UD only]

Provides reports on current issues. Covers a wide range of topics including: culture, education, health, science, governmental issues, religion, employment and communications. Each report includes a pro/con section.

From the Catalog

Catalog Strategy 1: To locate the series listed below, enter the [library's catalog](#).

In the search box, type "**opposing viewpoints**" or "**current controversies**" and click "Search." For the most current series, click on sorted by "date." Browse the topics and check the table of contents for ideas.

- * Opposing Viewpoints
- * Current Controversies

Catalog Strategy 2: Another series is available online via the [library's catalog](#).

To access, just enter the library's catalog and type "**Information Plus Reference Series**." From the result display, click on a title of interest. Below the words "Connect to" is the link to the Electronic resource. Simply click and you will enter the resource.

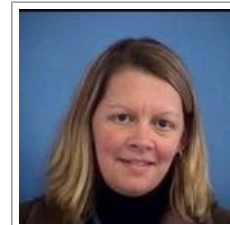

Vital Speeches of the Day

To locate Vital Speeches of the Day, use the [MasterFile Premier database](#) [UD only]. Just type in "**Vital Speeches of the Day**" and search. Explore your results.

ProCon.org

Pros and cons of controversial issues. Read pro and con arguments for and against topics such as medical marijuana, video games and violence, concealed handguns, illegal immigration, and more.
