Our Mission:

To facilitate and enhance student achievement by working in collaboration with faculty and staff to ensure that our students are effective users of ideas and information. This will be accomplished by

- providing access to information in many formats
- providing instruction to foster competence and stimulate interest in reading, viewing, and using information and ideas
- working with other educators to design learning strategies to meet the needs of individual students

Hours of operation

Monday-Friday - 7:15 to 3:30
