### 7th Grade Links

- [Continents Placement Game](#) - Place the 7 continents of the world as quickly as you can.
- [Point and Click Continents and Oceans Quiz](#) - 36 possible points is perfect can you point to perfection?
- [World Location Game](#) - Try different Levels for locating our major features

### 8th Grade Links

- [General Welfare and American Healthcare Pro/Con](#) - See the two sides of the debate regarding the National Government's role in providing Health Care to Americans. Is it a right? privilege? Video clips at the bottom provide further discussion and insight.
- [Net State.com](#) - Nicknames, Symbols, State Quarters and other info
- [Preamble to the US Constitution - Memorize](#) - Memorize for extra credit or to drop a low HW/Quiz score. Be able to either write it from memory or repeat it from memory out loud
- [The US 50](#) - Quick guide to some small symbols/pictures of the images and ideas that represent each state.
- [Ultimate State and Capital Game Memory Site](#) - Learn States/Capitals, their locations and more... challenge yourself and get ready for Thursday's quiz.
- [US.gov State Travel and Tourism Site](#) - Images and information for people interested in the highlights of our 50 states.

### All Social Studies Classes

- [Unlocking your Combination Locks](#) - Here's a quick tutorial as you navigate the beginning of the school year. The lockers are trouble spot number #1, don't be late to class.

### Click To Make A Difference

- [Hunger Site - Click To Help Feed Others](#) - Click daily to give 1 "free cup" of food to the Hungry of the World - bookmark and click once a day.
- [Rainforest Site - Click to Help Protect the Rainforest](#) - Click daily to protect 11 square feet of the world's endangered rainforest.

### Extra Time - Play And Get Smarter

- [Free Rice Trivia Game](#) - Chance to improve your vocabulary, math, and other skills while earning food (rice) for the hungry of the developing world.
- [Geography Who Wants to be a Millionaire](#) - Can you use your latitude/longitude knowledge to get to a Million Dollars without using all 3 of your lifelines? Good Luck!
- [Latitude and Longitude 1](#) - Help Hannah find her way home using latitude and longitude, she's lost in the city.
- [Latitude and Longitude 2](#) - Look at a model globe and ID world features and use latitude and longitude to pick the spot.
- [Maps and Globes Practice GeoQuiz](#) - Test your US Geo Skills and Global Map Identification in this short online quiz
- [Thinking Games and Puzzles](#) - If you have extra time or like a challenge here are some cool games and puzzles to challenge your mind.

### Family/Student School-District Links

- [Alderwood Middle School](#) - AMS School Maintained Website

- [Edmonds School District #15 Website](#) - This is Edmonds' Official District Website
- [Online Website Internet Safety Issues](#) - Teen Texting/Posting/Web use issues and safety tips for parents
