PROJECT VOTE SMART

Project Vote Smart is a national library of factual information on over 13,000 elected offices and candidates for public office --- President, Governors, Congress and State Legislatures. We cover them in five basic areas: backgrounds, issue positions, voting

records, campaign finances and the performance evaluations made on them by over 100 conservative to liberal special interests.

PUBLIC AGENDA ONLINE: PUBLIC OPINION AND PUBLIC POLICY

Drawing on its research, Public Agenda prepares a broad array of educational materials that help explain policy issues to the public in a balanced and easy-to-understand way. Citizens can use this information to weigh various choices and make educated decisions.

REASON ONLINE

The online version of *Reason*, a monthly magazine of "free minds and free markets." It covers politics, culture, and ideas through a provocative mix of news, analysis, commentary, and reviews.
