7. How do/did you use ProCon.org in your classroom or library (if at all)? Details appreciated.*If you have a link to your lesson plan or reference to ProCon.org, please include it below.*

As an introduction to persuasive writing, the site has been very useful. Middle school students are notoriously emotional - and just getting them to see both sides of an issue can be a chore. This site is very easy to navigate, and students actually enjoyed seeing the pros and cons side by side. Critical thinking skills are still a work in progress here - so this is a fantastic tool!

Yes
