Evaluating Websites

Each website listed here was evaluated by a librarian.

When searching the Internet, remember to [evaluate](#) each website you visit.

Keep in mind the 5 W's:

- Who?** Is the writer an authority on the topic?
- What?** Is the information relevant to your search?
- Where?** Where was the information published? What domain?
- When?** Is the information current?
- Why?** What is the purpose of the information?
