### Welcome Back!

Welcome back to your BHS library media center. The library is the information center of the school – a place where you can be connected to a good book, magazine or a computer for online research.

If you need any assistance or have questions, feel free to ask Mrs. Whipple or Mr. Murray for help.

While the library is a great place to work in teams, please remember that it is a shared space and always respect those around you.

Let's have a great school year!
