StudentNewsDaily.com is a current events website which provides resources for high school teachers' use in the classroom. We are a non-profit educational website. No fee is charged to use this site.

The goal of StudentNewsDaily.com is to build high school students' knowledge of current events and strengthen their critical thinking skills. We do this by providing comprehension and critical thinking questions to accompany a daily news article. Visit our homepage to see this and other site features at:
<http://www.StudentNewsDaily.com>

Website to help donate rice to millions by using vocabulary words.
<http://www.freerice.com>

WORLD CLOCK
<http://www.chippynews.com/worldclock.htm>

Web Site that "Promotes critical thinking, education, and informed citizenship by presenting controversial issues in a straightforward, nonpartisan primarily pro-con format." - Excellent!
