General Web Resources

1. [The Pros and Cons of Controversial Issues](#) - promotes critical thinking, education, and informed citizenship by presenting research on controversial issues in a straightforward, nonpartisan, and primarily pro-con format.
2. [Public Agenda](#) - Public Agenda is a nonprofit, nonpartisan organization working to strengthen our democracy's capacity to take on tough issues.
3. [Santa Anna College Controversial Issues](#) - List of Internet sources that take a position on various issues including: Abortion Rights, Gambling, Population, Adoption, Gangs, Pornography, Affirmative Action, Genetic Engineering, Poverty etc.
4. [Wikipedia](#) - This page is conceived as a location for articles that regularly become biased and need to be fixed, or articles that were once the subject of an NPOV dispute and are likely to suffer future disputes. Other articles not yet classified as "controversial" have some [edit conflict](#) issues. The divisive nature of disputed subjects have triggered arguments, since opinions on a given issue differ as they are debated. These subjects are responsible for a great deal of tension among Wikipedia editors, reflecting the debates of society as a whole. Perspectives on these subjects are particularly subject to time, place, and culture of the editor.
