Online Resources

- TopicSearch @ EBSCOHost by Galileo - <http://www.galileo.usg.edu/express?link=zbts>
 - **TOPICsearch** is a current events database covering social, political, and economic issues as well as scientific discoveries and other popular topics. The database contains full text of over one hundred thousand articles from more than a thousand diverse sources including international and regional newspapers, periodicals, biographies, public opinion polls, book reviews, pamphlets, and government information. The search options allow users to select particular current events and popular topics from drop-down menus.
- MASUltra @ EBSCOHost by Galileo - <http://www.galileo.usg.edu/express?link=zbma>
 - **MAS Ultra** is a general database created for a high school audience. It provides the full text of over 500 popular magazines as well as biographies and primary source documents.
- Academic Search Complete @ EBSCOHost by Galileo - <http://www.galileo.usg.edu/express?link=zbac>

o This scholarly collection offers full-text coverage of information in many areas of academic study, including archaeology, area studies, astronomy, biology, chemistry, civil engineering, electrical engineering, ethnic and multicultural studies, food science and technology, general science, geography, geology, law, mathematics, mechanical engineering, music, physics, psychology, religion and theology, women's studies, and other fields.
