Yes

7. How do/did you use ProCon.org in your classroom or library (if at all)? Details appreciated.*If you have a link to your lesson plan or reference to ProCon.org, please include it below.*

Students were required to research a topic of their choice (given some guidance). After writing an essential question, students were then asked to find evidence to support their position. Finally, students were then given a video camera and asked to interview several other people as to their own opinion. These findings were including in the project and then presented in the students' first public speaking unit of the year.

8. Would you recommend ProCon.org to teachers or librarians?

Yes

9. Where do you teach?

School - Conway High School

City - Conway
