I love teaching in the Middle School English Department. This is my fourth year as a teacher at EA and third as an English teacher. It is a joy to help my students become better readers and writers as they enter the Middle School and develop throughout the year. This will be my first year coaching in the Middle School after 5 years of coaching Varsity Girls Track and Field. I am really looking forward to the opportunity to coach my students and to get to know them outside of the classroom and on the athletic field.

I am originally from New Hampshire, and I came to Philadelphia in 1997 when I entered as a freshman at the University of Pennsylvania. At Penn I was a member of the Men's Track and Field team as a decathlete and pentathlete, and I performed on stage in singing and dancing groups. I earned my Masters in Education from Saint Joseph's University with my major in Secondary English. I live in Wynnewood with my wife Farah and my daughter Ryann.
