7. How do/did you use ProCon.org in your classroom or library? Details appreciated.

If you have a link to your lesson plan or reference to ProCon.org, please include it below.

It is important for my students to know both sides of a political issue. They are taking an Israel Advocacy course in grade 12 to prepare them for university and comments from students that will be different from what they have learned at school or at home. I want them to know in advance all sides of an issue so that they will know how to critically think and respond intelligently. The ProCon pages give them the starting point in which to formalize an opinion or a response.

8. What subject(s) do you teach?

 Something Else

 Israel Advocacy

9. Would you recommend ProCon.org to teachers or librarians?

 Yes

10. Would you like to sign up for our free email updates?

You'll get 1-3 emails per month highlighting our latest research, and you can unsubscribe anytime. Your email address will remain private, and we will not share it with or sell it to any third parties.

 I'm already a subscriber. Thanks anyway.

11. Last one. Do you have any additional comments or suggestions for us?

 Keep updating your information. The world is changing so quickly, especially in the Middle East, that it is imperative to have current information available for the teacher.
