[Opposing Viewpoints in Context](#) (requires a password) - **pro/con essays great for debates**

Opposing Viewpoints in Context is the premier online resource covering today's hottest social issues, from Offshore Drilling to Climate Change, Health Care to Immigration. *Opposing Viewpoints in Context* helps students research, analyze and organize a broad variety of data for conducting research, completing writing assignments, preparing for debates, creating presentations and more.

[Pro/Con.org](#)

ProCon.org is a 501(c)(3) nonprofit public charity that has no government affiliations of any kind. Our purpose is to provide resources for critical thinking and to educate without bias. We do not express opinions on our research projects ("issue websites").

[Global Issues in Context](#) - **international viewpoints on global issues**

Global Issues in Context offers international viewpoints on a broad spectrum of global issues, topics, and current events. Featured are hundreds of continuously updated issue and country portals that bring together a variety of specially selected, highly relevant sources for analysis of social, political, military, economic, environmental, health, and cultural issues. Each of these gateway pages includes an overview, unique "perspectives" articles written by local experts, reference, periodical, primary source and statistical information. Rich multimedia - including podcasts, video, and interactive graphs - enhance each portal. Use Browse Issues and Topics, Country Finder, Basic Search or Advanced Search to explore the database.

[Student Resources in Context](#) (requires a password) - **reference books, magazines, and newspapers at a high school level**

Student Resources in Context provides holistic topic perspectives by integrating a multitude of content, including 79,000 reference articles, 15 million periodical and newspaper articles, 4,200 primary sources, 100,000 multimedia records, including charts, graphs, maps and tables, and audio/video content from NBC, NPR and many other respected sources.

[InfoTrac Student Edition](#) (requires a password) - **magazines, reference books, and newspapers at a high school level**

With over 1100 titles this multi-source database is designed for high-school students providing them with access to a variety of full-text magazines, newspapers, podcasts, and reference books for information on topics most important to their curriculum including: current events, the arts, science, health, people, government, history, sports and more.

[General Reference Center Gold](#) (requires a password) - **general interest magazines and newspapers**

General interest database that integrates a variety of sources - newspapers, reference books, magazines, and trade publications. Find articles on current events, popular culture, business and industry trends, the arts and sciences, sports, hobbies, and more.

[Noodle Tools](#) (requires a password) - **take notes, create citations, and organize your work**

You will need to create a Personal ID for NoodleTools so you can store your work and access it from any computer connected to the internet.
