<b>Title</b>	ProCon.org
<b>Short Description</b>	Having students research a controversial topic? Start at procon.org.
<b>Description</b>	 <p><b>ProCon.org</b> is not only an excellent resource for students doing research projects, it's also an outstanding place for you to learn about the pros and cons of 43 hot-button issues such as health care reform, alternative energy, and vaccines for kids. Now includes resources on the 2012 Presidential election.</p> <p>Thanks to Groveland Media Specialist <b>Colleen Small</b> for recommending this excellent resource!</p>
