Last updated 7/25/2007 - This list of print and electronic resources is designed to assist students in "getting started." Additional titles and resources may be relevant to the specific topic of research.

Book Resources

Taking Sides Series Barton Campus: Reference collection. Each book focuses on controversial issues within a broad topic, bringing together arguments of leading social and behavioral scientists, educators, and commentators. Opposing views are presented in short essay style with each "yes" followed by a "no."

Contemporary World Issues Series Barton Campus: Stacks collection. Explores critical challenges facing America and the world in the 21st century. Contains an overview, documents and reports, a directory of organizations, and print and nonprint resources.

Opposing Viewpoints Series Barton Campus: Stacks collection. Each book in this series focuses on a specific social controversy. Opposing views are presented in short essay style with each "pro" followed by a "con."
