White Board! Please do more!

6. If you answered "yes" to #4 above, do you think using ProCon.org helped to improve your students' critical thinking skills?*If you answered "no" to #4 above, then please skip this question.*

Yes

7. How do/did you use ProCon.org in your classroom or library (if at all)? Details appreciated.*If you have a link to your lesson plan or reference to ProCon.org, please include it below.*

We use a "Question of the week" on which students must write a "position" paper with references found on the Internet and in the Library. They are required to use both sources (Electronic and Non-Internet sources). Once a month, the students choose a particular Question to debate and try and reach consensus. So far, there has only been one failure to reach consensus. The latter was an abortion issue. Many of our Questions come from ProCon.org.

8. Would you recommend ProCon.org to teachers or librarians?

Yes

9. Where do you teach?

School - Ithaca Unified City School System

City - Ithaca

State or Country - NY

10. Additional comments or suggestions:

More white board references. Students are taught to properly research sources. We'd like to research yours as well!
