7. How do/did you use ProCon.org in your classroom or library (if at all)? Details appreciated.*If you have a link to your lesson plan or reference to ProCon.org, please include it below.*

Well, during the last six weeks or so I incorporate the website into my lecture. I simply pull it up on the projector and we go through it as a class, I have them to choose their topic from your site, and it is their first source material for their essays as well. It is an awesome website and a navigational tool for me and my students.
