There are tens of thousands of things in here for you to use but you have to know how to get to them. For PTSD, Hooper says do an advanced search for full text "post traumatic stress" sources since 2000. If you can, exclude Vietnam and Veteran. For clinical depression, Hooper says do an advanced search for full text "depression" sources since 2000. Limit the search to young adults and teens. From home, use your Gale password.
