

Welcome to the Kenmore Junior High Library

To begin searching the KJH online catalog click on the CATALOG tab above.

Library Hours during the 2009-2010 school year: 7:30 a.m. - 2:30 p.m.

Do you want to see if you have books checked out or when they are due? To do so, please click on the upper right corner LOGIN box. Enter the same passwords you do to access the server. Click on the My Info box to see what books you have checked out and their due dates.

Many reference books are available as e-books. Click on the e-book link below; the password is kenmorer. Be sure to view our new e-book, *The UXL Encyclopedia of Native American Tribes*.

When using databases at home, you will need to have usernames and passwords and they are located on page 23 in the front part of the student planner.

Some users have reported some e-book connection issues with Vista, so try XP or use Firefox as a browser if you have difficulty.

Library Staff: Mr. Tracy, Librarian and Mrs. Houser, Library Secretary.
