Online Databases

Use the library's [article databases](#) to find periodical (magazine, journal, newspaper) articles for your research. Many periodicals cover controversial issues, but the following online databases focus on presenting both sides of numerous issues. For off campus access, you will need your library card number.

- [CQ Researcher](#)
- [Facts.com](#)
- [Issues and Controversies on File](#)
- [Opposing Viewpoints](#)

Websites

[Medical Marijuana Pro Con](#)

A non-profit, non-partisan private foundation, without government affiliation presenting information on both sides of the debate.

The [National Organization for the Reform of Marijuana Laws](#) provides links to news articles, endorsements, and medical reports in support of medical use of marijuana.

[MedicalMJ.org: Your Site for Medical Marijuana News & Information](#)

Clearinghouse site sponsored by a coalition of medical marijuana advocate organizations includes links to news and sponsoring organization's web sites.

[Common Sense for Drug Policy](#)

A non-profit organization dedicated to reforming drug policy posts information and comments on existing laws, policies, and practices.

[Say it Straight: The Medical Myths of Marijuana](#) Originally from the U. S. Department of Justice provides links to news articles, medical marijuana initiatives, and legal and legislative documents.
