[Research Guide on Social Issues](#)

[Topics](#)

The following Subscription Databases can be accessed from home via the Library's Password sheet:

- [Global Issues in Context](#) delivers international viewpoints on 21st century topics and a window on the world:
 - Hundreds of continuously updated issue and country portals (powered by Google Earth)
 - Relevant sources covering current events and ongoing topics
 - Rich multimedia, including podcasts, video and interactive graphs
 - "Get Involved" area offers volunteer opportunities at organizations
- [Issues and Controversies](#) by Facts on File. Your source for current, in-depth information on controversial topics in the news since 1995.
 - [Issues and Controversies Topic Themes](#) with links to articles related to those themes
- [Opposing Viewpoints Resource Center](#) Find current information on social, scientific, legal, or popular controversial issues. It provides full-text articles, statistical information, and primary source documents on all subjects from books, periodicals, and web sites.
- [Points of View Reference Center](#) by EBSCOhost. An interface designed to assist researchers in understanding the full scope of controversial subjects.
 - [Types of sources in this database](#) include: Periodicals, Newspapers, Books, Biographies, Radio & TV news transcripts, Primary source documents, Images, and Videos.
 - Each essay includes a series of questions and additional material to generate further thought.
 - Includes thousands of supporting articles from the world's top political and societal publications.
 - Can be used as a guide to debate, developing arguments, writing position papers, and for development of critical speaking skills.

TOPICS

THE NEW YORK TIMES [TIMES TOPICS](#)

Each topic page collects all the news, reference and archival information, photos, graphics, audio and video files published on many topics. This treasure trove is available, without charge, on articles going back to 1981.

[PROS and CONS of CONTROVERSIAL ISSUES](#)

(Recommended by Josh S.)

"Promoting critical thinking, education, and informed citizenship by presenting controversial issues in a straightforward, nonpartisan primarily pro-con format."
