As the forensics coach, it has helped my public speaking team a lot.

6. If you answered "yes" to #4 above, do you think using ProCon.org helped to improve your students' critical thinking skills?*If you answered "no" to #4 above, then please skip this question.*

Yes

7. How do/did you use ProCon.org in your classroom or library (if at all)? Details appreciated.*If you have a link to your lesson plan or reference to ProCon.org, please include it below.*

I am the coach for our school's public speaking team. I recommend it for students choosing to do original oratories or as preparation for debates or extemporaneous speaking. As a science teacher, I used the resource on alternative energy as my first classroom debate. It helped the students focus and showed them how it should be done. They then were able to do future debates on their own.

8. Would you recommend ProCon.org to teachers or librarians?

Yes

9. Where do you teach?
