FREE SEARCH TOOLS ~ Go to the [Search Engine Page](#) for more.

1. [Internet Public Library](#), [Sweet Search](#), [Duck Duck Go](#) ~ Subject search engines will give you fewer, but better results.
2. [Great list](#) of general and special search engines for research.
3. If you are going to Google, use the [Advanced Search](#) option or [Google Scholar](#)
4. [Pro/Con](#) Free site similar to Opposing Viewpoints.

VIDEO RESOURCES ~ Documentaries, lectures, presentations.

[SlideShare](#) ~ Great source of professional and academic presentations.

[Academic Earth](#) ~ Online courses and lectures from leading universities.

[Free Video Lectures](#) More academic lectures from major universities.

[TED](#) ~ TED is a small nonprofit devoted to Ideas Worth Spreading. It started out (in 1984) as a conference bringing together people from three worlds: Technology, Entertainment, Design. Since then its scope has become ever broader.

iTunes U ~ Access through the iTunes Store. iTunes U contains a massive quantity of academic material from schools and universities.
