I went to the store the other day and I was only in there for about five minutes but when I came out there was a motorcycle cop writing a parking ticket so I went up to him and said, "How about giving a guy a brak?" but he ignore me and continued writing the ticket so I called him a stupid idiot so he glared at me and started writing another ticket for having bald tires then i got really angry with him and told him he was a jerk adn he started righting a third tikit and this went on for about 20 minutes and teh more names I called him the more tickets he wrote but I didn't care because my care was parked around the corner. \*
