Geography/Countries

CIA World Factbook	The World Factbook is country information prepared by the Central Intelligence Agency for the use of US Government officials.
The Library of Congress: Country Studies	Description and analysis of the historical setting and the social, economic, political, and national security systems and institutions of countries throughout the world.
U.S. Dept of State: Travel - Bureau of Consular Affairs	The bureau issues consular information sheets, travel warnings, and public announcements concerning conditions in countries where Americans may be planning to visit or reside.
U.S. Dept. of State: Background Notes	Background Notes are factual publications that contain information on all the countries of the world with which the United States has relations. They include facts on the country's land, people, history, government, political conditions, economy, and its relations with other countries and the United States.
Washington Post.com:World	Search news items from the Washington Post concerning events from around the world.
Geographia	Geographia works as a gateway to country sites.
Library of Congress: Portals to the World	Links to electronic resources from around the world.
United Nations	The official web site of the United Nations.
Arab.net	Owned by ArabNet Technology (ANT), part of the Saudi Research and Marketing Group. The aim is to provide the most comprehensive online resource on the Arab world, primarily dealing with countries in the Middle East and North Africa.
Arab-Israeli Conflict	
Israeli - Palestinian ProCon	This site presents in a simple, nonpartisan pro-con format, responses to the core question "What are the solutions to the Israeli-Palestinian conflict?"
Israel/Palestine Center for Research and Information	IPCRI is a joint institutions of Israelis and Palestinians dedicated to the resolution of the Israeli/Palestinian conflict on the basis of "two states for two peoples" solution.
Palestine Facts	Palestine Facts is dedicated to providing comprehensive and accurate information regarding the historical, military, and political background to the on-going struggle between the State of Israel and the Palestinian Arabs.
