

BIO 1113 Discussion

When we return from Spring Break, we will go over Exam 3.

Next, we will devote part of our class time to a discussion of Medical Marijuana.

This topic was suggested by several students. It is an issue which is being debated by many communities.

1. Please go to the link below and read about the pros and cons.
2. Decide whether you want to argue “pro” or “con”.
3. At the end of our discussion, we will take a vote on this issue:

Would you agree to have a medical marijuana dispensary in your town?
