Citing Sources During Research

Stuck on when to cite a source?

Check this presentation on why, when and how to cite sources that you use in the research process.

<http://www.nwktc.edu>

Resource Web Links

Kan-Ed Learning Station

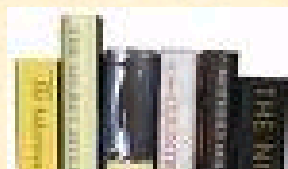

Includes an education backpack, online databases, homework helper

Kansas Library Card

Includes audio books for downloading, online databases, homework helper

Job Preparation

Includes help with cover letters, resumes, and company research.

*Automotive Books in the spotlight:
Haajanen: "Illustrated Dictionary of
Automobile Body Styles"*

A catalog of automobile bodywork terms, both contemporary and those that cars inherited from the horse-drawn carriage era.

Stockel: "Auto Fundamentals"

*A through understanding of the design, construction and operation of automotive systems.
Starts with basic theory and adds parts until system is complete.*

Knowles: "Medium/Heavy Duty Truck: Technician Certification Test preparation Manual"

*Automotive Service Excellence preparation manual for test taking for becoming certified.
Includes test question, test taking methods, and hints for each task.*

Audio opportunities

Tired of reading? Like to listen instead of read? Come use the [Kurzweil](#) system to scan your reading material and have it read back to you. You control the speed and you can change the voices.

Want to listen to a book while on the road? Check out the [audiobooks](#) available from the Kansas State Library.
