General Information

★ [Subscription Research Databases](#) - Available only through Gananda Central Library

★ [C-Span - Campaigns & Elections](#)

A very useful site - full of information on candidates, electoral issues, history of presidential campaigns, campaign finances, voting trends, etc.

★ [GovSpot.com: Government Contacts](#)

Get in touch with your government.

★ [National Atlas](#)

Map-like view of federal government data.

★ [The National Security Archive](#)

[Online] Available

This site from George Washington University, provides access to declassified U.S. Government documents. An example of these primary sources is "The Real Thirteen Days" (Cuban Missile Crisis). Blacked out areas in some of the documents contain information that still might threaten national security.

★ [Pro/Con](#)

Presents both sides of controversial national and global issues.
