## Debates

[PAGE](#)   [DISCUSSION \(1\)](#)   [HISTORY](#)   [NOTIFY ME](#)

**According to Webster's Dictionary, debates are "a discussion, as of a public question in an assembly, involving opposing viewpoints."**

Check out You Tube and type in "debate" -- hundreds of debates pop up! Now, narrow it down by typing in "debate gas." Now, many of the hits are debates about gas prices. Then type in "high school debate." You will see that some forensics/speech team speeches show up. How do we find what we really want? It is a hard task but it is out there!
