Seminar Reading

WEEK 10 SEMINAR: LAST ONE!!!

Week 10 seminar will be on Chapter 18: Sex For Sale **AND** the website <http://prostitution.procon.org/>. I look forward to reading your last seminars, and I expect them to be your best set of notes, reaction summaries, and critical thinking questions for the quarter!

WELCOME

Welcome to April Kindrick's Psychology site at South Puget Sound Community College! You can click on a class link listed above for more information on that class.

Current students should click on their class to find the complete detailed syllabus, information on the current week's work, and to print handouts to be used in class.
