Web Links

- [004 - United States Telephone Directory : 411.com](#)

<http://www.411.com/>

Grade Level(s): All

Subject(s): Technology, English, Social Studies

Summary: Looking for a telephone number or the telephone number of a business in the United States? You can search and find it at this online Yellow Pages and White Pages directory that lists telephone numbers and addresses as well as area codes and zip codes.

- [006.6 Presentations ETC – Free presentation resources](#)

<http://etc.usf.edu/presentations/index.html>

Grade Level(s): All

Subject(s): Arts, Health, Technology, Physical Education, Career Development, English, Mathematics, Science, Social Studies

Summary: "Select from over 20,000 background slides for your next presentation. Most of the images are available in both 800x600 and 1024x768 sizes. Many of the backgrounds include transparent cutouts to layer over photographs. A friendly license allows teachers and students to use up to 50 items in a single, non-commercial project without further permission." Use these thematic templates to prepare PowerPoint or keynote presentations.

- [306 - Public Agenda Online](#)

<http://www.publicagenda.org>

Grade Level(s): 6-8, 9-12, Professional

Subject(s): Technology, Health, Arts, English, Career Development, Mathematics, Science, Social Studies, Earth Science, Environmental Science, Education, History, Geography, Economics, Religion

Summary: This is an outstanding, Website for social issues information. Social issues are described, and at least three points of view on the topic are presented side-by-side; a format that helps debaters and essay writers to develop their own arguments and conclusions. In addition, the site provides authentic information sources, polls, and other current event sources on each topic.

"Public Agenda is an objective explorer of public opinion and a scrupulously fair minded producer of citizen education materials. Public Agenda's unique research explains and clarifies public attitudes about complex policy issues. Public Agenda's work shows that when presented with accurate information and meaningful choices, Americans can and do make thoughtful decisions."

Issues covered at this site include:

Abortion, America's Global Role, Campaign Reform, Child Care, Crime, The Economy, Education, The

Environment, The Federal Budget, Gay Rights, Health Care, Higher Education, Illegal Drugs, Immigration
Internet Speech/Privacy, Medical Research, Medicare, Poverty and Welfare, Race, Right to Die, Social Security

- **[317 – US Census Bureau – Quick Facts](http://quickfacts.census.gov/qfd/states/00000.html)**
