Applied Knowledge Fails

"For more than a decade now, the unchecked spread of HIV/AIDS around the world has made our profound ignorance concerning human sexuality painfully evident" (N/A = Not Available).

Google Citation Reference

This quotation begins the paper by **Parker, Richard (1995).**

The social and cultural construction of sexual risk, or how to have (sex) research in an epidemic.

In: **Han ten Brummelhuis, Gilbert Herdt, Eds..**

Culture and Sexual Risk: Anthropological Perspectives on AIDS, 256-269. (Routledge Reference)

Global sex: sexuality and sexual practices around the world.

Profound Ignorance of Human Sexuality

The Desire and Pursuit of the Whole: Testosterone, Perceived Dominance,
