**About the Department and WKU**

Welcome to the Department of Geography and Geology at WKU. Students and faculty engage in Geoscience for the 21st century!  
[Mission of the Department](#)

2008 is a great year for WKU Geoscientists everywhere. WKU's Department of Geography & Geology was established in 1907, so we've been offering great courses now for 100 years! Details of those first classes appeared in the 2007 GEOGRAM.  
[The Department 100 years ago](#)

The Department of Geography and Geology at WKU offers excellent undergraduate and graduate educational opportunities and is a leader in relevant research and public service. [Learn More...](#)
