Categories: [Psychology](#) | [World History](#) | [World History - Israel/Palestine](#)

Psychology

- [R/L Brain Test](#) - Here is a Right/Left Brain Test. When you take this, email me the results.

World History

- [Causes of Conflict in Darfur](#) - A great site for explaining the historic causes of conflict in Sudan. May take a bit of focused reading to sift through it.
- [Middle East Map](#) - Use this link to complete the assignment for 11/30 on the Middle East.
- [Rwanda Genocide History](#) - Online interactive presentation of the history behind the Rwanda genocide in the 1990's.

World History - Israel/Palestine

- [Interactive site of Israeli - Palestinian Conflict](#) - Interactive site to help explain the conflict in Israel and the fighting that is happening there.
- [Israel/Palestine Essay Resource #1](#) - If you hunt around this page, there is tons of information that you can use for your essay topic.
- [Israeli Troops Launch Attack on Gaza](#) - New York Times article we are using to set up our Middle East unit. Use this article to answer the questions we did in class on December 3rd.
- [Separation Wall Debate](#) - Video debate we watched in class on Wed. December 9th on the West Bank Wall separating Israel & the West Bank territory. If you need to you can rewatch this clip to complete your
- [Timelines of Israeli/Palestinian Conflict](#) - Links to timelines and interactive tools to help clarify the conflict between Israel & Palestine. The links were prepared by groups such as the BBC & The Washington Post. A side by side timeline of events can be found here that explains the conflict from both the Israeli and Palestinian point of view (requires Adobe). These links can help answer questions you may have about the conflict and help with this subject which is always difficult to understand.
