

TOP 400 LARGEST NON-PROFITS OF 2010, according to The Chronicle of Philanthropy

(ranked in order of US popularity online, according to Alexa.com, as of Oct. 27, 2011)

Bank of America Charitable Gift Fund (Charlotte, NC) had the **highest traffic ranking (#28)** partly because the web address is www.bofa.com - the same general web address for the bank's online banking services. California Community Foundation (Los Angeles, CA) had the **lowest traffic ranking (#649,293)** although 68 organizations did not even receive a ranking. If ProCon.org were one of the largest 400 US nonprofits, **our Alexa traffic ranking (#14,725)** would have put us in 142nd place out of the top 400.
