

Rio Hat Productions, Inc. presents a JONATHAN BLANK film a BARCLAY POWERS production

"Enthralling...While politicians promise a government which intrudes less into people's lives, this film is a reminder that they often support the most intrusive laws."

-Roger Ebert, *Chicago Sun Times*

"An eye opener which should be required viewing."

-Prof. Alan Dershowitz, from "Justice"

★ ★ ★ ★

-Bob Fenster, *Arizona Republic*

"An intriguing and uncensored tour of the nether parts of the Netherlands."

-Rita Kempley, *Washington Post*
