## Michigan woman surprised to find marijuana in mail

A Mich. woman found a fragrant surprise among her bills, catalogs and junk mail: a whole lot of [marijuana](#). Happy day!

AP

Police in Blackman Township west of Detroit said the surprise 2-pound package of the ganja arrived in the mail last week at the elderly woman's home. She called police, who say they don't know who sent the weed as the Arizona return address on the package was bogus, according to the [Jackson Citizen Patriot](#).

Police say the pot is worth about \$2,400. JackPOT!

The marijuana either was sent to the woman's home by mistake or someone planned to snatch it from the mailbox before she checked, Deputy Director Jon Johnston told the newspaper. Police seized the pot and say it will be destroyed.

Mich. is one of 14 states that allows 2.5 oz of [medical marijuana](#) per person, or 12 plants.

What a waste of some good ganja. How do I know it's good? They wouldn't have gone through the trouble of mailing it if it was skunkweed!

You're right, Jane. It's much better to be an uptight old prude like you. Sounds you could use a toke right about now....My boyfriend thinks the same with me. He is eight years older than me, lol. We met online at agelessmate.com a nice and free place for younger women and older men, or older women and younger men, to interact with each other. Maybe you wanna check out or tell your friends.

When I was young and in Valley Forge Military Academy, one of my friends thought it would be appreciated if they sent me an envelope full of ganja..... Well, a meeting with the Commandant of Cadets and 25 hours of marching in full dress parade gear on the main area kind of ruined any appreciation I might have had if it made it through.... The intention was gracious but the result sucked.!

OUT STONE COLD? OR MAYBE WAS TOO BUSY EATING? OR MAYBE HIS FAVORITE CARTOON WAS DOING A MARATHON. HE MAY HAVE GOTTEN TO BUSY DRAWING OR LOOKING INTO HIS KALEIDOSCOPE AND FORGOT ABOUT THE TIME. THERE REALLY IS SO MANY EVERYDAY THINGS THAT COULD HAVE CAUGHT HIS ATTENTION AND DIVERTED HIM FROM HIS TASK FOR THAT DAY. OH WELL I GUESS HE'LL HAVE TO RELY ON THE FEW HITS OF ACID UNTIL THE NEXT SHIPMENT IS DELIVERED TO THE WRONG ADDRESS.

Jane, no matter how high tech we get as a society, we still need people for mindless repetitive tasks. Besides, I know several highly paid professionals who enjoy pot once in a while, and you probably interact with a few in your daily travels. Drive late at night, and pray the car coming at you has a driver stoned instead of drunk. Nah, he'll be home eating cheeto's, but I would rather pass a stoned driver than a drunk one any day, although like booze, stay home when you partake.

Lighten Up Jane :o)  
You would be surprised just how many airline pilots, bus drivers, taxi drivers, teachers, doctors, etc. etc. toké every now & then. I doubt NOT too many practice their profession WHILE under the influence, but after hours, it's a given that they imbibe.

Finally! Jane, you are the only one who has common sense. Marijuana should be illegal, and I hope it stays that way!
