Marijuana is Now Legal!

anjjonair

Slow your roll!!! Before you puff, puff pass — get all the smoking details here first!

You can thank Delegate Eleanor Holmes Norton for successfully pushing the Legalization of Marijuana for Medical Treatment Amendment Act of 2010 into law Monday.

The law is designed to help patients with illnesses such as cancer, glaucoma or HIV. The bill will allow these people to obtain four ounces of marijuana per month through one of the eight proposed medical marijuana dispensaries.

Fourteen states in the United States also currently have a version of medical marijuana.
